

Madras College

Values

We are committed to ensuring that our school is a community based on these shared values:

- accepting everyone with consideration, tolerance, courtesy and respect;
- honesty, fairness and openness in our dealings with everyone;
- accepting responsibility for ourselves, our actions and developing a sense of self worth;
- caring for each member of our school community and helping those in need;
- working hard, being positive about our life and learning and committed to education in its widest sense.

Aims

The aims of the school are organised under 3 headings; Achievement, Ethos and Partnership.

Achievement

- All members of the school community contribute to a learning environment which will enable them to develop their full potential and achieve the highest possible standards in all aspects of their work.

Ethos

- All members of the school community are valued as individuals, regardless of their race, sex, religion, colour, creed or ability.
- All members of the school community are actively involved in creating good working relationships within the school.
- All members of the school community are provided with opportunities to develop their personal and social skills to enable them to take their place as caring and confident members of society.

Partnership

- All members of the school community play their part in maintaining and developing close partnership with parents and the local community.
